

Vactor Ranch Color Chart

Formulas for Covered Wagon

Covered Wagon is a recovered formula for an historical color in Vactor Ranch. It is not a running color anywhere. It was originally from *Sherwin Williams* but is now also available at *Dunn-Edwards*. However, they have to mix it to order so you **MUST** take this formula with you. They each use different tints so use the formula for the proper vendor as noted.

Dunn-Edwards:

013 09:57 5/20/2020 TUCSON
 0013-0520-05201
